

Hawaiian Roller Coaster Song

There's no place I'd rather be
Than on my surfboard out at sea
Lingering in the ocean blue
And If I had one wish come true
I'd surf 'til the sun sets beyond the horizon
Hurry up, don't delay
Bring along your surfboard
Flying by on the Hawaiian roller coaster ride

[Verse 1: Mark Keali'i Ho'omalulu & Kamehameha Schools Children's Chorus]

Hurry up, don't delay
Bring along your surfboard
Big waves are breaking
The ocean is swelling
Let's lay in the warm sun
While soft seas lap at the dunes
Come on, let's go for a
Hawaiian roller coaster ride

Re Write this song about running away from flood water and helping your friends

Dog Days Are Over

[Verse 1]

Happiness hit her, like a train on a track
Coming towards her, stuck still no turning back
She hid around corners and she hid under beds
She killed it with kisses and from it she fled
With every bubble she sank with a drink
And washed it away down the kitchen sink

[Pre-Chorus]

The dog days are over

The dog days are done
The horses are coming
So you better run

[Chorus]

Run fast for your mother, run fast for your father
Run for your children, for your sisters and brothers
Leave all your love and your longing behind
You can't carry it with you if you want to survive
The dog days are over
The dog days are done
Can you hear the horses?
'Cause here they come

[Bridge]

And I never wanted anything from you
Except everything you had
And what was left after that too, oh

Rewrite this song about sailing away from flood water and
being saved

Come Sail Away

A gathering of angels
Appeared above my head
They sang to me this song of hope
And this is what they said
They said, come sail away, come sail away
Come sail away with me (lads)
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me (baby)
Come sail away, come sail away
Come sail away with me
I thought that they were angels
But to my surprise
We climbed aboard their starship
We headed for the skies

Singing, come sail away, come sail away
Come sail away with me (lads)
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me

Revolting Children

Lyrics

Whoa, oh-oh-oh-oh-oh-oh
Never again will she get the best of me
Never again will she take away my freedom
And we won't forget the day we fought
For the right to be a little bit naughty
Never again will the Chokey door slam
Never again will I be bullied, and
Never again will I doubt it when
My mommy says I'm a miracle

Never again will we live behind bars
Never again, now that we know we are
Revolting children
Living in revolting times
We sing revolting songs
Using revolting rhymes
We'll be revolting children
'Til our revolting's done
And we'll have the Trunchbull bolting; we're revolting
We are revolting children
Living in revolting times
We sing revolting songs
Using revolting rhymes
We'll be revolting children
'Til our revolting's done
And we'll have the Trunchbull bolting; we're revolting
We will become a screaming horde
Take out your hockey stick and use it as a sword
Never again will we be ignored
We'll find out where the chalk is stored
And draw rude pictures on the board
It's not insulting; we're revolting
We can S-P-L how we like
If enough of us are wrong; wrong is right
Everyone, N-O-R-T-Y
'Cause we're a little bit naughty
You say we oughta stay inside the line
But if we disobey at the same time
There is nothing that the Trunchbull can do
She can take her hammer and S-H-U
You mighta thought we were weak, but we're strong
Mighta thought we would break, but you're wrong
Because you finally pushed us too far
But there's no going back now
'Cause we-

R-E-V-O-L-T-I-N' (revolting times)

We'll S-I-N-G (songs)

U-S-I-N-G (rhymes)

We'll be R-E-V-O-L-T-I-N-G

It is 2-L-8-4-U-E-R-E-volting

We are revolting children

Living in revolting times

We sing revolting songs

Using revolting rhymes

We'll be revolting children

'Til our revolting's done

It is 2-L-8-4-U

4-U, 4-U, 4-U, 4-U

We are revolting children

Living in revolting times

We sing revolting songs

Using revolting rhymes

We'll be revolting children

'Til our revolting's done

It is 2-L-8-4-U

We are revolting!

HORTON

I've been guarding this clover

For over a week,

Getting laughed at

For thinking a dust speck can speak.

Well, let them all laugh

I'll try not to mind,
For I have found something
That they'll never find!

There are secrets on a leaf,
In the water, in the air,
Hidden planets, tiny worlds,
All invisible!
Not a person seems to know.
Not a person seems to care.
There is no one who believes a thing I say...

Well, I'm fairly certain
At one time or other,
Great thinkers all feel this way!

I'm alone in the universe.
So alone in the universe.
I've found magic but they don't see it

They all call me a lunatic.
Ok, call me a lunatic.
If I stand on my own, so be it.

'Cause I have wings.

Yes, I can fly
Around the moon
And far beyond the sky
And one day soon
I know there you'll be
One small voice in the universe
One true friend in the universe
Who believes in me...

JOJO HORTON

I'm alone in the universe.
So alone in the universe.
My own planets and stars
Are glowing.
Alone in the universe
No one notices anything.
Not one person is listening.
They don't have any way of knowing.
Nobody knows that
I have wings
I have wings.
Yes, I can fly
I can fly
Around the moon
And far

Beyond the sky Beyond the sky

BOTH

Well someday soon

You will hear my plea

HORTON

One small voice in the universe

JOJO

One true friend in the universe

BOTH

Please believe in me ...

HORTON (softly, to his clover)

Hello...hello?

JOJO (startled)

Hello?

HORTON (startled as well)

Who's there?

JOJO

It's me, Jojo. The Mayor's son.

HORTON

I'm Horton. The Elephant

JOJO

Are you real, or are you a very large think?

HORTON

Oh, I'm real, all right. I would state that in ink.

JOJO

In my thinks, I imagine a lot of strange things

And I go to strange places, as if I had wings!

I love a good think!

HORTON

Well, for me that goes double.

JOJO

Sometimes my thinks are what get me in trouble.

HORTON

When you think, do you dream?

JOJO

In bright colors!

HORTON

Me too. And I go to strange places

Like Solla Sollew!

JOJO

When you think, do you think

You could fly to the stars?

HORTON

Little friend, no one else

Could have thinks such as ours!

(HORTON and JOJO imagine they are flying through the starry universe.)

HORTON JOJO

Yes, I have wings.

I have wings

And I can fly

I can fly ...

Around the moon

And far beyond the sky Beyond the sky ...

You called my name

And you set me free-

One small voice in the universe

JOJO

One true friend in the universe

BOTH

Who believes in me.

HORTON

Goodnight Jojo.

JOJO

Goodnight Horton. See you in Solla Sollew!

(HORTON exits and JOJO goes to sleep. Suddenly,
THE CAT pops up behind JOJO's bed and shakes him awake.)

CAT

Wake up! The scene's over!

There's more to be heard.

There goes our hero. Who enters?

JOJO

The bird!

Re-Write this song about the Evil Scientist being bullied when he was little and now realizing his mistake of turning people into zombies and he just wants to have friends.

Another Day of Sun

I think about that day
I left him at a Greyhound station, west of Santa Fé
We were 17, but he was sweet and it was true
Still I did what I had to do
'Cause I just knew
Summer Sunday nights
We'd sink into our seats
Right as they dimmed out all the lights
A Technicolor world made out of music and machine
It called me to be on that screen
And live inside each scene
Without a nickel to my name
Hopped a bus, here I came
Could be brave or just insane
We'll have to see
'Cause maybe in that sleepy town
He'll sit one day, the lights are down
He'll see my face and think of how he used to know me
Behind these hills I'm reaching for the heights
And chasing all the lights that shine
And when they let you down (it's another day)
You'll get up off the ground (it's another day)
'Cause morning rolls around and it's another day of sun
I hear 'em everyday
The rhythms in the canyons that'll never fade away
The ballads in the barrooms left by those who came before

They say, "You gotta want it more"
So I bang on every door
And even when the answer's "No"
Or when my money's running low
The dusty mic and neon glow
Are all I need
And someday as I sing a song
A small-town kid'll come along
That'll be the thing to push him on and go go
Behind these hills I'm reaching for the heights
And chasing all the lights that shine
And when they let you down (it's another day)
You'll get up off the ground (it's another day)
'Cause morning rolls around and it's another day of sun
And when they let you down
The morning rolls around
It's another day of sun
It's another day of sun
It's another day of sun (sun, sun, sun)
It's another day of sun
Just another day of sun
It's another day of sun
The day has just begun
It's another day of sun
It's another day of sun

Together from High School Musical
Alright, alright, here we go
Together, together, together everyone
Together, together, come on, let's have some fun
Together, we're there for each other every time
Together, together, come on, let's do this right
Here and now, it's time for celebration
I finally figured out, yeah, yeah

That all our dreams (uh) have no limitations
That's what it's all about (come on now)
Everyone is special in their own way
We make each other strong (we make each other strong)
We're not the same
We're different in a good way
Together's where we belong
We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true
Together, together, together everyone
Together, together, come on, let's have some fun
Together, we're there for each other every time
Together, together come on, let's do this right
We're all here
And speaking out with one voice
We're going to rock the house, yeah, yeah
The party's on, now everybody make some noise
Come on, scream and shout
We've arrived
Because we stuck together
Champions one and all
We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come
We're all in this together
When we reach
We can fly
Know inside
We can make it

We're all in this together
Once we see
There's a chance
That we have
And we take it
Wildcats sing along
Yeah, you really got it going on
Wildcats in the house
Everybody say it now
Wildcats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Time to show the world
Hey, oh, hey, oh alright here we go
We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true
We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
There's a chance
That we have
And we take it
Wildcats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone
