La la la la la la la la la

[EVERYONE]:

Come on, let's go for the most fun ever camper ride

[Lots of talking. Sound effect of the bus hitting a bump.

Campers all bounce with the bump. Sound of bus breaking]

BUS DRIVER JEFF: Hey kids, I gotta check to see why the wheels on the bus aren't going round and round.

[Jeff exits the bus and looks at the tire and establishes the tire is flat.]

BUS DRIVER JEFF: Everyone has to get off the bus. I have to change the tire.

[Campers get off the bus]

CAMP LEADER: Everyone calmly exit the bus . . .

[Forest animal sound effects. Suspenseful.

Students and campers exit and gather around.]

CAMPER 1: Where are we?

CAMP LEADER. . . . and stay close.

CAMPER 2. Looks like a forest.

CAMP LEADER. Don't do anything unsafe . . .

CAMPER 3. How long will we be here?

CAMP LEADER. Like wandering off into the woods.

[CAMPER 4 Jump Scares the other campers and starts laughing]

CAMPER 4. BOO!

(Some Campers scream and scatter into the woods (exit stage).)

CAMP LEADER. Wait, stop, come back! Ugh you just had to scare them didn't you. Now they're going to get lost in the forest.

[campers are wandering around the forest]

DOROTHY. *(pulls out phone)* Hey chat, our bus just broke down in a forest . . .

CAMP LEADER. Dorothy, you know there's no reception in the middle of the woods!

DOROTHY. Duh, . . . so hit that follow button and stay tuned for updates!

MARK. We really are in the middle of nowhere!

BEATRICE. Oh my gosh! Are we lost?

ZACK. No Beatrice, we can't be lost, the bus is back there.

[Mark pulls a shiny gold compass out of Julian's backpack.]

MARK. Oooh, what's this?

JULIAN. That's my grandfather's compass! He gave it to me in case I get lost! Mark, give it back!

DOROTHY. It's super, super old! It's a family heirloom.

DAISY. Oh my gosh are there wild animals out here?

[Sound of a mountain lion growling]

JULIAN. Daisy, I think I heard a mountain lion.

ZACK. There's no mountain lions out here!

BEATRICE. *[Screams and cries]* I want my mommy!

ZACK. Beatrice, You are such a baby!

CAMP LEADER. Zack, there aren't any mountain lions out here, you are definitely hearing things!

BEATRICE & DAISY. Look! Wild animals!

(Forest animals creep towards the camper group.

*Campers start to scream and run around, Camp Leader exits during chaos,
Julian drops his grandfather's compass very obviously so audience can see, lightning flashes from somewhere
in the woods, all of the animals scamper back into the bushes. All others freeze. Julian freezes looking down at
his broken compass. NORTH, SOUTH, EAST, and WEST enter from different corners of the stage.)*

SCENE 1B

NORTH. Look at that; another group has just had their sense of direction entirely turned upside down.

(South moves to pick up the compass, and inspects it)

SOUTH. That's not just any compass. That's the compass we made.

EAST. You mean the one you lost.

SOUTH. I didn't lose it, I just temporarily misplaced it.

NORTH. Same thing.

SOUTH. Well, fine. But it wasn't my fault.

(all other directions look at south with that “yeah right” look.)

EAST. What should we do now? They are lost.

WEST. *[regally with an air of decorum]* We will guide them back to the bus.

NORTH: Are you sure?

SOUTH: Yeah, should we? These are humans we are talking about!

WEST. Yes. We are the keepers of the compass. We let it leave our possession, and now it's our responsibility to make sure the campers are able to get back to the bus.

EAST. But first, they must complete the adventures to prove they are kind. For all we know they could be just like the Scientist!

NORTH: We can't let something like that happen again.

WEST. Well then, we will test them to make sure they are good and kind hearted.

SOUTH: Then it shall be done, the young campers will start their great adventure!

[West waves her hand and the area goes black, putting the focus back on the campers]

SCENE 1C

JULIAN. Oh no! My grandfather's compass!

ZACK. Did anyone see the lightning?

DOROTHY. Julian, Dad will be so upset, I can't believe it's broken! Look, the arrows are spinning wildly!

ZACK. Something is happening over by that tree!

[Campers start “being pulled” toward the tree by an unknown force.]

DAISY. It looks like some sort of weird bright light!

BEATRICE. It's an opening. Like a portal.

MARK. OH no. It's pulling us in!

EVERYONE: *(adlib screams)*

*[The campers are pulled "into" the portal -
Lights flash as they are flung around to the other side of the tree.
On lights up, it is the exact same scene but the group is scared and bewildered.
Everyone freezes as a NARRATOR explains - in a Twilight Zone voice. . .]*

EAST (NARRATOR Twilight Zone). Some of the campers have been transported into another dimension; a new world, perhaps, or another reality? It begs the question. Why? Why have these campers been transported, where are they, and how will they get back?

SOUTH: It looks exactly the same!?

EAST: It is the same exact forest, but in this forest the animals can talk.

SOUTH. I hope they don't get scared and run away again.

EAST. South, don't you remember? We need to test their characters.

SOUTH. Oh yeah!

EAST. Let's see how they handle our first test.

BEATRICE. What happened? Where are we? Dorothy, this doesn't look like home!

DOROTHY. *(sarcastically)* Well, there IS no place like home.

DAISY. I don't like new places.

ZACK. It looks like the same forest, but . . .

JULIAN. Hey guys, the compass stopped spinning, it looks broken.

BEATRICE. It's the end of the world!

ZACK. Beatrice, it's not the end of the world. We are still here aren't we?

[Animals appear out of the sides.]

FOX. Who are you and where did you come from?

MARK. A fox! Who are YOU and why are you talking?

ZACK. Whoa! Am I hearing things.

JULIAN: We must be in another dimension?

MARK. Cool, I wonder what treasures we will find!

ZACK. What, talking animals are not enough for you?

PANDA. We live in this forest. You appeared after the lightning struck.

BEATRICE. (to the wolf) You're- you're a wolf! Are you gonna eat us?

WOLF. No, of course not. We are friendly.

CRAWFISH. (to campers) Are you gonna eat *us*?

DAISY. No, fish are friends. We, too, are friendly.

CRAWFISH. But I'm not a fish. By the way, do you like gumbo?

JULIAN. Do you all live here?

WILD CAT. Yes, this is our home! Would you like to play with my ball of yarn?

BEATRICE. Sure! Let's play!

BUNNY. Do you want to come see my house by the stream?

DAISY. Lead the way!

[Bunny takes the group to their house and shows them around]

FROG. Come see my favorite lilly pads!

JULIAN. Did you know that the scientific name for water lilies is nymphaeacea?

PANDA. Would you like some green tea - or bamboo?

WILD CAT. How about some catnip?

WOLF. This is where I have my den! Come check it out.

[Animals show the campers around and point out their homes.

Frog, Deer, Squirrel and Axolotl enter in a panic]

AXOLOTL. The great dam was struck by lightning and caused a huge crack!

DEER. Water is gushing out of it and it's coming right at us! It is knocking down every tree in the forest and wiping everything out in its path!

SQUIRREL. Everyone, run to higher ground!

*[Everyone moves in slow motion with the beginning of the song
and slowly progresses with the tempo of music. CHOREOGRAPHY
Some animals climb. During the dance, campers help animals*

*reach higher ground, maybe as a step stool, or help climb,
reaching out and helping them get up.]*

Song. Dog Days Are Over!

[CAMPERS]

The dam has broke in the town
So we have to run for higher ground
So we have to run for higher ground
[Actors hold blue fabric to mimic flood water]

[EVERYONE]

The dog days are over
The dog days are done
The horses are coming
So you better run
The dog days are over
The dog days are done
The horses are coming
So you better run

JULIAN: Not again! The compass is spinning wildly.

DEER: Oh no, headlights!

ZACK. Another portal!

(Everyone reacts to the portal opening.)

DOROTHY: Really? This has to go up on my vlog

...

BEATRICE: And we're being pulled toward it.

[ANIMALS]

Run fast for your mother, run fast for your father
Run for your children, for your sisters and brothers
Leave all your love and your longing behind
You can't carry it with you if you want to survive

[EVERYONE]

The flood water is here
The flood water came
Can you hear the birds
'Cause here they come
(Vocalizing)

EAST (NARRATOR). They passed their first test successfully. We opened the portal because they displayed an act of selflessness.

WEST. Yep! The camper helped the squirrel, the deer helped the camper and because of that we opened a portal!

EAST. That's what I just said.

WEST. Oh, sorry I wasn't really listening.

SCENE 2

BEATRICE. Are we all dead!

ZACK. No, Beatrice, we are not dead.

JULIAN: We went through another portal and we're now on a ship that has saved us from the flood!

MARK. Okay, well that's good - because I can't swim.

DAISY. Here you go, Squirrel *{sets Squirrel down on ship}*

SOUTH (NARRATOR News Anchor voice): As soon as the last person entered the portal, the entire forest completely flooded! We kind of saved them. Now they are on a boat sailing away from (or is it into) danger?

[Mermaids appear and dance to the song in the water]

Song. Styx Come Sail Away start at 2.31

[CAMPERS]

A gathering of animals
Appeared above my head
They sang to me this song of hope
And this is what they said

[EVERYONE]

They said, "Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me"

SOUTH (NARRATOR). We kept the winds from rocking the sail boat too much and now they are approaching an Island. Not just any island, though. It is home to a lonely, angry and evil scientist – and it is known as ZOMBIE ISLAND! Should we warn them about the scientist?

EAST. Nah, that's one of the tests!

SOUTH. Should we warn them about the zombies?

NORTH. No, they will find out soon enough.

(They disembark on Zombie Island. Animals disperse and exit the stage.)

SCENE 3

JULIAN. Look, these are Bear's Breeches.

(Julian picks up a native plant.)

MARK. These wouldn't even fit Pee Wee. How would they fit a bear?

JULIAN. Well, it's actually named Acanthus Mollis. It's called "bear's breeches" because- . . .

BEATRICE. Can you guys stop talking about breeches? I don't care what pants bears wear. We're lost! We're gonna die!

ZACK. Chill out. We're gonna be fine. I'll protect us.

DOROTHY. *(looking around in approval)* Okay, but this island is giving beach.

DAISY. I don't have a good feeling about this place...

(they hear rustling and footsteps)

JULIAN. Everyone, behind me!

(Zack screams in fear and hides behind Julian.

Evil Scientist and Zombies appear and surround the campers)

Song. Revolting Children

[EVIL SCIENTIST]

Woah

Never again will they make a fool of me

Never again will I be lost and forgotten

And I won't regret the day I brought

These people here and made them zombies

[ZOMBIES]

Never again

[EVIL SCIENTIST]

Will my friends think I'm bad

[ZOMBIES]

Never again

[EVIL SCIENTIST]

Will I be bullied, and

[ZOMBIES]

Never again Will I doubt it when

[EVIL SCIENTIST]

My conscience says I'm the bestest friend

[ZOMBIES]

Never again will we live behind bars

Never again now that we know

We are revolting, zombies

Living a revolting life

Controlled by an evil scientist, who only brings us strife

We'll be revolting zombies till we are free at last

We might look nice, but promise we're revolting.

We are revolting, zombies

Living a revolting life

Controlled by an evil scientist, who only brings us strife

We'll be revolting zombies till we are free at last

We might look nice, but promise we are revolting.

(Campers run away, zombies chase after them.

Adlib campers screaming and zombies moaning.

A few of the zombies fall into quicksand and campers stop to watch.)

ZACK. Look, the zombies fell into quicksand!

DOROTHY. Good, they wanted to eat us!

BEATRICE. We should help them! Look how cute and tiny they are!

ZACK. It's just a trick. They want us to feel bad for them so we'll get near them and they'll eat us.

MARK. No look, they're actually drowning. They're turning gray.

DOROTHY. They were already gray.

TINY ZOMBIE. Help, please!

ZOMBIES: Yes, we are friendly!

DAISY. I don't think they mean any harm. I think we should help them.

JULIAN. Okay we'll help get them out. Besides, talking Zombies are pretty cool.

(Grabs a tree branch and extends it to a zombie to help pull him out of quicksand).

MARK. Here, maybe this could help.

(Finds a life saver ring and throws it at them.)

ZACK. Um, they aren't drowning Mark, they are sinking in quicksand.

JULIAN. Here, everyone grab a hand and we will use our bodies as a rope to pull them out.

*(Julian grabs the rope the lifesaver is on while
zombies all grab each other and the lifesaver and they all pull each other
until all of the zombies are safe. Lightning flashes, a portal opens.)*

WEST NARRATOR (British Accent). Yes! They did it again! I am so proud of them. They helped each other!

EAST NARRATOR: Yep, this time they helped the Zombies.

NORTH NARRATOR: I'm a bit surprised by this group.

WEST: As a reward, let's send them to Mushroom Meadow!

SOUTH: You mean the place that's all made of food.

WEST: Yeah, I bet they are hungry!

SCENE 4

(Everyone starts eating)

Song. Raining Tacos

ALL.

It's raining tacos
From out of the sky
Tacos, no need to ask why
Just open your mouth and close your eyes
It's raining tacos

[Chorus]

It's raining tacos
Out in the street
Tacos, all you can eat
Lettuce and shells
Cheese and meat
It's raining tacos!

[Verse 2]

Yum, yum, yum, yum, yumidy yum
It's like a dream

Yum, yum, yum, yum, yumidy yum
Bring your sour cream

[Refrain]

Shell, meat, lettuce, cheese
Shell, meat, lettuce, cheese
Shell meat-

[ZOMBIES]

cheese, cheese, cheese, cheese,cheese

ZOMBIE 1. I feel so much better! I haven't been this full in years.

ZOMBIE 2. (patting Zombie 1's shoulder) You're not YOU when you're hungry.

MARK. Wait, so you don't want to eat us anymore?

ZOMBIE 3. We never wanted to eat people. We used to be normal people just like you. But one day, that scientist kidnapped us and turned us into...

ZOMBIE 5: monsters.

ZOMBIE 4. We hear that he kept an antidote that can turn us back to normal,

ZOMBIE 1: But none of us know how to find it.

JULIAN. Wait, maybe we can help!

DOROTHY. I'm pretty good at convincing people to give me what I want.

ZACK: W-h-a-t i-s t-h-a-t?

(angry villager noises are heard offstage)

WEST NARRATOR. Uh oh. I forgot about the Mushroom Villagers. Ooh they are so mad!

NORTH. I don't think they like these intruders eating and destroying their village.

SOUTH. Yep, their homes are the food they are eating.

EAST. Look, they have weapons!

(A group of angry mushroom villagers appear holding pitchforks, shovels, and other farming tools)

MUSHROOM 1. You inhaled Ivy's ice cream shop!

MUSHROOM 2. You gobbled grandma's garden!

MUSHROOM 3. You devoured Dad's dishwasher!

MUSHROOM 4. You ate the area my mom keeps the antiques!

(mushrooms all stare at Mushroom 4)

MUSHROOM 4. *(clearing throat)* You munched mom's museum!

(Mushrooms nod in approval)

CAMPERS. *(ad libbed)* What do you mean? I don't understand? I'm confused.

DOROTHY: Oh, my gosh, chat – I didn't know mushrooms could talk!

MUSHROOM MAYOR. The food you just ate was OUR village.

BEATRICE. *(very concerned)* Your village?!

JULIAN. Good mushrooms, we had no idea you lived here. If we did, we never would have eaten it. Right, guys?

CAMPERS. Right!

DOROTHY. We're really sorry.

DAISY: We really didn't mean to.

MUSHROOM MAYOR. In the village of Mushroom Meadow, an apology is not enough to pay for your crimes. And you must pay.

BEATRICE. Oh no, are you going to kill us!?

Song. Be Prepared Starts

ZACK: Kill us? They are tiny mushrooms!

MUSHROOM MAYOR. Of course not. We have something else in mind.

Instrumental

[MUSHROOMS]

Hummm, Hummm!

Hummm, Hummm!

[MUSHROOMS]

It's great that we'll soon be avenged

With a mayor who's all-time adored

[MUSHROOM MAYOR]

Of course, now you have eaten our houses

We take certain duties on board

The future is littered with prizes

And though I have been most surprised

The point that I must emphasize is

You won't get a bite anymore!

[ALL MUSHROOMS]

So prepare to be captured forever *(So prepare to be captured forever)*

'Cause your actions have gone way too far *(Ooh, la-la-la)*

Your merciless stealing *(We'll have food)*

Has sent our tribe reeling *(Lots of food)*

Our farming and growing *(We repeat)*

Has left you all owing *(Endless sweets)*

Beware how you proceed

You'll pay for your bad deed

And seen for the thieves that you are

So hear what we've bravely declared

[MUSHROOMS]

Be prepared

Yes, hear what we have bravely declared

Be prepared!

(Lines are spoken quickly and campers talk over each other)

ZACK. You can't take us!

DOROTHY. We're not even from here-

DAISY. Let us go home, please-

MARK. I still don't get what we need to prepare for-

BEATRICE. This is the worst day of my life-

JULIAN. Is there anything we can do?

*(The mushroom people look at each other and start
whispering among themselves.*

The campers wait breathlessly. After a beat.)

MUSHROOM MAYOR. Well, there is one thing....

(As the narrator speaks, the mayor pantomimes the story of the mountain lion)

EAST. You see, the Mushroom Citizens have been terrorized by a ferocious mountain lion. Each evening, the mountain lion would stalk down from his home beyond the cliff and would take them one by one and they would never be seen again.

SOUTH. So, he had a taste for Mushrooms?

NORTH. That's what it sounds like!

WEST. Ooh, that's not good!

ZACK. Okay, we agree to find the mountain lion and bring him back to you.

JULIAN. Then will you free us?

MUSHROOM MAYOR. It shall be done.

(Campers walk along the woods and after a moment, the mountain lion appears and scares everyone).

JULIAN. You are the mountain lion that is terrorizing the mushroom people!

ZACK. Yeah, tough guy!

BEATRICE: He looks scary!

MOUNTAIN LION. Mushroom people? I thought they were ingredients for my stew. I didn't know I was eating mushroom people! I must go and apologize to them!

DAISY: I think that is a great solution!

MARK. Follow me. I'll take you to the Mushroom Feast! I mean Meadow!

*(They go back to the Mushroom Meadow with the lion to apologize to the mushroom people.
Mushroom people see the lion and bare their weapons.)*

MOUNTAIN LION. No wait! Don't attack! I want to apologize! Please don't attack me! You see, my animal friends came upon this island and were so hungry because they had no food. So they asked me to help them. I found your village and took what I saw to make a big pot of stew to share with my friends. It's just a big misunderstanding!

MUSHROOM MAYOR. Okay. It does sound like a big misunderstanding. I will give you a map! *(map falls from the sky)* This map will show you where you can collect food. As long as you collect food from here, you can collect as much as you need to feed your animal friends.

MOUNTAIN LION. I will only take food from this map and no longer bother your village. As a thank you for sparing me and these campers, I would like to invite you to my next dinner, as guests, not as food!

MUSHROOM VILLAGERS *(adlib rejoicing with joy)*

ZOMBIES: And we will stay and help you regrow your village.

MUSHROOM VILLAGERS *(adlib rejoicing with joy)*

SCENE 5

NORTH. I knew they would pass this test.

WEST. I for sure thought the mountain lion would eat everyone!

NORTH. Now that the Mushroom Citizens are no longer scared of the mountain lion . .

SOUTH. . . . and the lion can feed his friends . . .

EAST. . . . we can open another portal!

NORTH. It's a good thing the Zombies decided to stay, I don't know if they would like the new place we are sending the campers. It's a really cold, barren place full of birds. Horton the Dodo bird sits by himself on an egg, while the other birds are having fun frolicking with each other.

WEST. Ooh I love this place, I hope they can help Horton!

DOROTHY. Wow, look at the beautiful birds
(They rush towards birds and interact with them.)

BEATRICE. And the snowflakes on the tree!

MARK. It's so snowy and cold here!

JULIAN. I wonder what we are doing here.

DAISY. Look at the-

ZACK. . . . bird that is coming towards us!

*(All campers are talking and looking at the bird, accidentally ignoring Daisy.
All birds are talking and ignoring Horton)*

Song. Alone in the Universe

[HORTON]

I'm alone in the universe
So alone in the universe
I'm so friendly, but they don't see it
They all call me a loner
Okay, call me a loner
If I stand on my own, so be it
'Cause I have wings
Yes, I can fly
Around the moon and far beyond the sky
And one day soon, I know there you'll be
One small voice in the universe
One true friend in the universe
Who believes in me

[DAISY]

I'm alone in the universe
So alone in the universe
My own planets and stars are glowing (*Alone in the universe*)
No one notices anything
Not one person is listening
They don't have any way of knowing

[HORTON]

Nobody knows that I have wings

[DAISY]

I have wings

[HORTON]

And I can fly

[DAISY]

I can fly

[HORTON]

Around the moon and

[HORTON & DAISY]

Far beyond the skies

Well someday soon, you will hear my plea

[HORTON]
One small voice in the universe
[DAISY]
One true friend in the universe
[BOTH]
Please be friends with me!

DAISY. (Quietly mumbles) Hey guys I think...

MARK. What did ya say?

DAISY. (shyly) I think that the bird needs help!

HORTON. Can you help me hatch this egg?

BEATRICE. Yes, we want to help. What should we do?

HORTON. I don't know. That's why I've been sitting here day after day I can't get it to hatch.

MARK. I have an idea!

(Marks starts to go over to the egg to sit on it but before he sits on it, the groups yells)

EVERYONE: STOP!

HORTON. You'll break it!

JULIAN. Maybe we need to hold the egg and give it warmth.

DOROTHY. Eww. That's so cringe! Anyone have a heater?

DAISY. We should do it for, um, what's your name?

HORTON. Horton.

JULIAN. Who?

HORTON: I heard that!

(they pass it around but realize it is not enough warmth)

HORTON. It's not working!

ZACK. How about a group hug?

DOROTHY. Hey, chat – here we are hugging an egg. #Besties!

(Everyone gathers around the egg giving a group hug)

DAISY. Look! The egg is hatching!

DOROTHY. #omelet

MARK. It's a bird...an elephant bird?!?

HORTON. I am so happy! I am no longer alone and now have someone to care for. Thank you for this magical gift.

SCENE 6

WEST. Aw that elephant bird is so cute!

NORTH NARRATOR. A bit surprising but they did show another act of kindness.

EAST. Who would've thought, a group hug!

SOUTH. Maybe we can try that sometime?

NORTH. I'm going to send them back to Zombie Island so they can liberate the zombies from the evil scientist.

EAST. Don't forget to pick up the Zombies from Mushroom Meadow first!

NORTH. Yep, I got that covered.

WEST. I hope they get rid of that Evil Scientist! He's so awful!

SOUTH. Rest assured West, I think they will figure out how to stop the Evil Scientist.

NORTH. Yeah, so far they've been solving all of the conflicts. Okay campers, don't let me down!

ZOMBIE 1. We are back!

ZOMBIE 2. We don't want to be zombies anymore!

ZOMBIE 3. Why did you turn us into zombies?

EVIL SCIENTIST. Do I really have to explain myself?

EVERYONE. YES!

EVIL SCIENTIST. Okay fine, but I'm going to sing it!

(quick vocal warm up – me me me me)

Song. Another Day of Sun

[EVIL SCIENTIST].

I think about that day

When I was younger, and everyone used to say

I was 17, and I was different and it's true

Still I did what I had to do

'Cause I just knew

No one would be my friend

And I felt so alone
Right there I hatched an evil plan
I'd kidnap all these folks and turn them into my zombies
So that they could be friends with me
And do all my bidding
Without a nickel to my name
Hopped a bus, here I came
Could be brave or just insane
We'll have to see
I thought that from my sleepy town
They'll sit one day, they'd come around
They see my friends and think of how they used to know me
Behind these hills I'm reaching for the heights
And chasing all the lights that shine
And when they let you down (it's another day)
You'll make more friends around (it's another day)
'Cause morning rolls around and it's another day of fun

EVERYONE.

It's another day of fun
It's another day of fun
It's another day of fun (fun, fun, fun)
It's another day of fun
Just another day of fun
It's another day of fun
The day has just begun
It's another day of fun

MARK. Wow that's a very long song to tell us why you turned everyone into zombies

EVIL SCIENTIST. Yeah, I know

JULLIAN. You know that's not the only way to get friends.

EVIL SCIENTIST. It's not?

DORTHY. No, you could get on social media (*Daisy elbows her*) – I mean, just be nice.

DAISY. And do nice things.

EVIL SCIENTIST. Define nice...

BEATRICE. Not turning people into zombies.

EVIL SCIENTIST. Hmmm, I'll think about that...how about I turn everyone back? But how?

MARK. We can have a party in your evil lab!

ZACK: And maybe put the zombie antidote in the fruit punch!

EVIL SCIENTIST. Oooh, sounds like fun! (pass out cups)

EVERYONE: Party time!

Song APT

(Every zombie drinks antidote)

SOUTH NARRATOR. Well, that was great! the evil scientist gave the zombies the ANT-TI-DOTE-TI-DOTE and now has new friends.

WEST. Ha! I never thought the Evil Scientist would do something nice!

EAST Yep he did and look he even offered to fix the broken compass!

(Jullian hands the EVIL SCIENTIST the broken compass. Evil Scientist fixes it).

Scene 7

SOUTH. Okay they have proved themselves.

NORTH. Should we send them back home?

WEST. Yeah I think we can do something nice for once.

SOUTH. I'll open the portal that sends them home. Here you go campers!

CAMP LEADER. Jeff, they're over here! Jeff? Where's Jeff?

CAMPER 1. He was over by the tree!

CORE CAMPERS: THE PORTAL!

CAMPER 1: The what? Oh, well.

CAMP LEADER. We were worried sick! Where were you?

JULIAN. We went to a place where animals could talk-

ZACK. We helped them escape from a flood, and-

BEATRICE. There was an axolotl on the forest floor, and-

DOROTHY. We went to a island of zombies-

DAISY. But the zombies were just hungry for regular food which was perfect because then-

MARK. We ended up in a land of food, and fed the . . .

BEATRICE. . . . zombies!

JULIAN. But we ate mushroom people's houses by mistake-

DAISY. I saw an elephant bird!

MARK. Crazy, huh?

(The camp leader laughs)

CAMP LEADER. You don't even know. Okay, well it's time to get back on the bus. Let's go.

DOROTHY. But we really did help all those people

(North, East, West, and South appear, and the adults freeze. The campers are startled)

NORTH NARRATOR. Yes, you helped the people of our Other-dimensional forest with your true acts of kindness.

EAST NARRATOR. Your selflessness has even turned the evil scientist to the good, friendly, scientist of the former Zombie Island.

DAISY. We did it with kindness!

MARK. Yeah, we did, didn't we?

BEATRICE. Wait, but who are you guys?

SOUTH NARRATOR. Great question! We have been with you all along during your journey. We are the keepers of the compass. We maintain order in the south.

WEST NARRATOR. The West

EAST. The East

NORTH. And the North.

DOROTHY. What's your @?

NORTH. I'm the Duke of the North

EAST. The Earl of the East

SOUTH. The Sultan of the South

WEST. And I'm the Queen of the West, young one.

NORTH. (interrupting) I believe our time is up campers.

EAST. We have been on earth for too long.

WEST: Any longer and our world can be hurt.

SOUTH: You were some of the best humans we have met.

WEST: They are the only humans we have met.

ALL NARRATORS: Goodbye young ones! Until next time!

(The camp leader and bus driver unfreeze)

CAMP LEADER. Ha! What a story! Come on campers we are running behind schedule. We need to get to Camp Adventure!

CAMPERS. YAY! We can't wait! OKAY!

Song. Treat People With Kindness

[CAMPERS]

Maybe we can
Find a place to feel good
And we can treat people with kindness
Find a place to feel good

[DOROTHY, DAISY, BEATRICE]

I've got a good feeling
I'm just takin' it all in
Floating up and dreamin'
Droppin' into the deep end

[ZACK, MARK, JULIAN]

And if we're here long enough
They'll sing a song for us
And we'll belong

[ALL]

Maybe we can
Find a place to feel good
And we can treat people with kindness
Find a place to feel good

[JULIAN]

And it's just another day (And it's just another day)
When we learn, and grow, and play (Oh-oh, oh-oh)

[ALL]

It's okay It's okay, it's okay

[CAMPERS]

Maybe we can

Find a place to feel good
And we can treat people with kindness
Find a place to feel good
[ZOMBIES, ANIMALS, ETC]
All we ever want is friendship, kindness all the time
All we ever want is kindness all of the time
All we ever want is friendship, kindness all the time
All we ever want is kindness all of the time
[ALL]
Maybe we can
Find a place to feel good
And we can treat people with kindness
Find a place to feel good
The End

Song We're All In This Together (From "High School Musical)

Together, together, together everyone
Together, together, come on, let's have some fun
Together, we're there for each other every time
Together, together, come on, let's do this right

Here and now, it's time for celebration
I finally figured out, yeah, yeah
That all our dreams have no limitations
That's what it's all about
Everyone is special in their own way
We make each other strong (we make each other strong)
We're not the same
We're different in a good way
Together's where we belong

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come

We're all here and speakin' out with one voice

We're gonna rock the house, yeah, yeah (Rock the house)
The party's on
Now everybody make some noise
Come on, scream and shout
We've arrived (Arrived)
Because we stuck together
Champions one and all

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come

We're all in this together
When we reach
We can fly
Know inside
We can make it

We're all in this together
Once we see
There's a chance
That we have
And we take it

Campers everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone
